June 8-9, 2017 at the ASU School of Music

A two-day workshop for high school students, grades 11-12. Participants will learn about life as a college music major. The workshop also includes:

- Strategies for successful auditioning
- Tips for completing the college application process
- Live performances by music faculty and students
- Career options in music
- Masterclasses with ASU faculty
- Break out sessions (how to interview, choosing repertoire, private lessons)
- Sample music classes
- Interaction with current students and faculty
